## GLC Minerals LLC to be recognized by Greater Green Bay Chamber

FOR IMMEDIATE RELEASE

September 25, 2017

(Green Bay, WI) - [GLC Minerals LLC](#) will be recognized at the [Greater Green Bay Chamber's](#) 135<sup>th</sup> Annual Dinner as one of the founding members of the Chamber.

“This is a significant honor for us and for those who came before us at the company,” said GLC Minerals President and COO, [Holly Bellmund](#). “Our company culture has always included community involvement. Our founder Fred Hurlbut was the founding chair of the Green Bay Chamber because he saw a need to bring businesses together for the greater good of the community. We are pleased to be able to continue that commitment.” The Greater Green Bay Chamber of Commerce was founded in 1882 and was originally called the Green Bay Businessmen’s Association.

Even before the Greater Green Bay Chamber was founded, the [Hurlbut Calcium and Chemical Company](#) was established in 1871 as a major coal and bulk distributor. In 1965, it was renamed Great Lakes Calcium Corporation and was later renamed GLC Minerals LLC. Today, GLC Minerals is a custom manufacturer of calcium and magnesium carbonate products used as animal feed, mineral fillers, pollution filters and soil conditioners.

The Chamber’s Annual Dinner event will showcase six of the Chamber’s longest-standing members. Other highlights of the event include:

- Keynote speaker Sonia Aranza, an award-winning global diversity and inclusion strategist, will speak about how diversity is a competitive advantage in the workplace.
- The ATHENA award will be presented, which recognizes men and women for excellence in their profession, empowering women and service in their community
- The Daniel Whitney Award will be presented to the Chamber’s outstanding volunteer of the year, as chosen by and voted by the Chamber staff.
- The Outgoing Chairman Awards will also be presented.

The Annual Dinner will take place on Tuesday, October 17, 2017 at 5 p.m. Registration can be found at the Greater Green Bay Chamber website, <http://www.greatergbc.org/events/chamber-annual-dinner>.
